"The Vendor" shall mean the person, partnership or corporation named in the Entry Form as Owner of the Lot provided that where an owner is not named in the Entry Form or in the case of a partnership the person who enters the Lot for sale shall be deemed to be the Vendor.

"The Purchaser" shall mean the highest bidder to whom the Lot is knocked down subject to the provisions set out herein and shall include a person who is the vendor or member of a per vendor partnership.

"Lot" shall mean and include horses of all descriptions offered for sale by Michael Donohoe & Sons.

"Sales Complex" means any premises being permanent, temporary or otherwise used by the Auctioneers in any Sales.

1. Michael Donohoe & Sons, their servants or agents shall not accept any responsibility for injury, loss or damage suffered to persons, animals, goods or property or howsoever arising as a result of any act, omission, default or neglect on their part or on the part of any owners of horses and/or their agents or visitors to the Sales. They further retain the right to prohibit the entry to their Complex of any animal which is suspected to be suffering from a contagious disease.

RESERVES, BIDDING AND PRIVATE SALES:

(i) **A Lot entered in the Catalogue and advertised for sale shall not be sold by the owner before the auction of that Lot. Should they fail to reach their reserve, vendors may negotiate privately, and in the event of a sale it must be transacted through the Auctioneers. Anyone found not adhering to this condition of sale will be barred from all future sales.**

(ii) There may be a reserved price for any Lot and subject to such reserved price, the highest bidder shall be the Purchaser. Should any dispute arise between two or more bidders the Auctioneers shall adjudicate on the dispute and their decision shall be binding on all parties. At their discretion, the Auctioneers may put up the Lot in dispute for Auction and re-sale.

(iii) The Auctioneers reserve the following rights:

[b] To bid on their own behalf up to the reserve price; and

[c] To withdraw the Lot from sale at any time before it has been knocked down without disclosing the reserved price.

A Vendor shall not bid or allow anyone else to bid on his behalf for any Lot owned by him except in cases where such Lot is being sold on the dissolution of a partnership.

(iv) Any Lot in the Auctioneers Sales Complex for the purposes of sale or otherwise shall be there at the Vendor's risk provided, however, that where such Lot has been sold it shall be at the Purchaser's risk from the fall of the hammer or time of sale if sold privately. The Auctioneer shall not be liable for loss, damage or injury caused by a Lot or to a Lot while on their Sales Complex whether by disease, accident or otherwise howsoever arising and whether to a person in charge of such a Lot or to any third party. Any Lot purchased shall be removed from the Sales Complex not later than 24 hours after the date of the purchase and at the Purchaser's expense. The Auctioneers shall bear no responsibility for the maintenance, upkeep or well being of any Lot.

(v) If a Lot is purchased and not paid for, the Auctioneers shall be entitled to retain the Lot until payment is received and in respect of the period of such retention, the Auctioneers shall have a lien upon the Lot for all expenses including freight incurred by them or any Agent acting on their behalf in keeping, maintaining, training, treating or otherwise dealing with the Lot during such period of retention and such lien shall not be lost by reason of the fact that the Lot is kept by them or their Agents elsewhere than in their Sales Complex. A Lot shall not be delivered to a Purchaser until the expenses mentioned have been discharged in addition to the purchase price. Should the Purchaser fail to pay for a Lot, the Auctioneers in their absolute discretion may at any time re-sell the Lot by Public Auction or Private Sale and the deficiency (if any) resulting from such re-sale shall immediately be made good by the defaulting purchaser and in default of a payment it shall be recoverable from the Purchaser as liquidated damages. The Auctioneers or the Vendor of a Lot shall be at liberty to pursue all legal remedies available to them against a defaulting Purchaser to recover the purchase price or any deficiency therein arising from the default.

(vi) No undertaking by the Auctioneers, their servants or agents to take charge of a Lot previous to or after a sale or to forward such Lot to a destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of the foregoing Conditions. Any person engaged to bring and take away a Lot shall do so at the cost and risks in all respects of the owners of such Lot.

IRISH BREEDERS CLASSIC

This year marks the 10th Anniversary of the Irish Breeders Classic Show supported by Horse Sport Ireland which was the brainchild of Ronan Rothwell. With the help of our generous sponsors from throughout the horse sport industry, together with donations of sale items from various patrons to our prize fund auction we are planning a bigger and better show with a prize fund in excess of €100,000.

We are also hosting a leg of the GAIN/Alltech 1.40m National Grand Prix and the SJI/HSI 1.50m Premier Final.

It is with great pleasure that we present this selection of foals for auction at the Irish Breeders Show.

We must support and commend all the breeders in Ireland that are making the huge change in our breeding programme by picking the best showjumping performance stallions to use with proven mare lines. The support of the HSI breeding policy is a particularly important tool for all breeders when making breeding decisions for their own mare herd.

We wish you the best of luck in selecting your next Champion at the Irish Breeders Classic Foal Auction 2021.

At the launch of the 2021 Irish Breeders Classic, Liz Brennan, Sharon Fitzpatrick, Joe Reynolds and Kevin Gallagher, 2020 Winner. Missing from the photo are Debbie O'Connor and Gail Lennon.

Stallion Notes

TANGELO VAN DE ZUUTHOEVE

With his rider Roelof Bril, Tangelo v/d Zuuthoeve jumped international at 1.60m level. They became 3rd in the Grand Prix of Vienna and 3rd in the Grand Prix of Birmingham. His excellent leg technique, a surplus in power and carefulness makes Tangelo van de Zuuthoeve one of the most remarkable jumping stallions available. He is doing brilliantly in breeding with several of his sons already licensed: Eldorado became graded last year with the Zangersheide studbook, Triple was champion at the NRPS stallion grading and Vigaro gained his KWPN and Zangersheide approval before moving on to jump at international 1.60m level. Other top international show jumpers by Tangelo v/d Zuuthoeve are: Billy Angelo, Viceroy, Warrior and Eurocommerce Valesca. Many of Tangelo's female offspring score high at mare and foal gradings and taking top marks at the loose jumping competitions. Tangelo van de Zuuthoeve produces healthy offspring, with pleasant willing temperaments and with natural jumping ability!

DIAMANT DE SEMILLY

Diamant De Semilly is ranked Number 1 in the WBFSH World Sire Rankings. This outstanding stallion was the 2002 Team World Champion and 9th placed individual, 2002 National Champion of France, and the team Silver medalist at the 2003 European Championships. His progeny quickly De Kreisker, Emerald, Elvis Ter Putt and Pacino etc.

Tullibards Bennys Legacy

The thirteen-year-old Lupicor son Tullibards Bennys Legacy is consistently performing at the very highest level in sport. With Adrienne Sternlicht in the saddle, he won the CSI3*-W 1.60m World Cups in Las Vegas and Thermal. Just recently they placed 4th in the \$230k Grand Prix of Traverse City. In 2021, Tullibards Bennys Legacy and Adrienne Sternlicht were member of the Nations' Cup Team in Rotterdam CSIO5* 1.60m.

CONTHARGOS

Conthargos offspring are recognised internationally and compete at high level: Concona/Ben Maher/GBR, Conbelleza/Simon Delestre/FRA, Conbalou/Gert-Jan Bruggink/NED, Conthacco/Schlyler Riley/USA, Conblue/Patrick Stühlmeyer, Jolanda/Oliver Lemmer, Coraline/Franz-Josef Dahlmann, Tailormade Chloe Star PS/Sören Pedersen/DEN, Call Me Diva/Clarissa Crotta/SUI (Oldenburg

regional Champion), Gräfin Andorra OLD/Daniel Wolke (regional championship bronze medalist), Jadore Moi/Sophie Leube (successful twice at the World Championships for Young eventing horses) and Conthacco/Bastian Freese and Andrej Oplatek (Oldenburg Regional Champion). In 2017, a colt by Conthargos out of a Balou du Rouet dam won the "For Pleasure Ring" of the best show-jumping foals at the German Foal Championships in Lienen. Conthargos transmits to his offspring his large frame and athletic conformation. His offspring also please with their courage, respect, scope, technique and exceptional rideability.

QUEL HOMME DE HUS

Belgium's Jerome Guery said his Olympic showjumping team bronze medal-winning ride Quel Homme De Hus is the "one horse he would take to war" following their final performance at the Tokyo Games. The scopey 15-year-old stallion by Quidam De Revel gave everything he had to produce Belgium's only clear round in the team final. Jerome Guery has had the ride since 2019 and the combination were part of the bronze medal-winning team at the European Championships in Rotterdam. "He's an amazing horse, he has all the scope. He has power, flexibility, a super canter. I'm really lucky to have a horse like this," he said.

CORNET OBOLENSKY

In 2011, Cornet Obolensky won the gold medal with the German team at the European Championships in Madrid after showing outstanding rounds. In 2012, he won the World Cup competition in Zürich, the Nations Cup in Rom/ITA and Rotterdam/NL and was awarded as the most successful show jumper in Germany. Under Marco Kutscher, he won Grand Prix and Nations Cup competitions such as the Samsung Super League final in Barcelona that he won twice. In 2008, he won bronze at the German National Championship and landed on a first place in the Grand Prix competitions in Balve/GER, and Cervia/ITA, as well as in the Nations Cup competition in Rotterdam/NED; he was also a member of the German Olympic team in Hong Kong. In 2009, he became second in the World Cup jumping competition in Bordeaux/FRA, third in the Grand Prix competition in Rio de Janeiro/BRA and was placed in the Global Champions Tour Final in Doha. Cornet Obolensky's lifetime earnings currently amount to 799.952 euros.

COHINOOR VDL

Cohinoor has a pedigree to dream of: Olympic world-class sire Cornet Obolensky combined with the true producer of show jumpers Stakkato and the Holsteiner legend Contender, anchored by Hannoverian 'prestatie' sire Graf Grannus. Ridden by Marco Kutscher, Cornet Obolensky was among the world's best jumpers and he is sire of top horses Cornet d'Amour, Cornet's Cristallo, Clooney, Cornado NRW and Comme il Faut. Grand sire Stakkato has jumped at the highest level for many years and is indispensable for today's breeding as both sire and as dam's sire. The legendary Contender continues to be represented by his offspring in top arenas around the world - for example Chiara, Carlo and Colore. Cohinoor's dam Sophia, is half-sister to the Westphalian approved stallion Cornwall - Reserve-Champion of the Bundeschampionat for 7-year olds and jumps internationally at 1.45m level. In addition to Cohinoor, Sophia is also dam of the mare Carissima; who received a '10' for her jumping technique and of the approved premium stallion Lanzardo. Great-grand dam Grafina Galexia jumped at the 1.45m level herself. Additionally, the Westphalian and Hanoverian approved Call Me Number One is a son of Cornet Obolensky being bred out of the same dam line as Cohinoor. Call Me Number One jumps at Grand Prix level. Cohinoor was approved by the KWPN with a fantastic score of 83 points and was one of the highlights of the KWPN stallion test. Cohinoor scored an 8.5 for reflexes, technique, rideability & attitude and talent as a show jumper. For the remaining jumping components Cohinoor earned 8's.

AGANIX DU SEIGNEUR

Under Jos Lansink the stallion was well on his way to progress into an absolute world-class horse when an injury called a premature end to his career in the sport. However, at that moment his first offspring appeared to jump exceptionally well which prompted Studfarm Zangersheide to purchase him. Aganix du Seigneur Z initially started from an underdog position, but after one season he blossomed into being one of the most popular stallions of the yard. The siring qualities of this stallion are beyond imagination. Wherever Aganix du Seigneur Z offspring appear at the start they have an impact. Be it a freejumping competition, a class for young horses or an international event up to the highest level...the Aganix du Seigneur Z offspring perform everywhere! The products

of this imposing chestnut are in the biggest stables across the world: Attoucha Hero Z with Paris Sellon, Ayade Hero Z with Spencer Smith, Agana van het Gerendal Z with Lillie Keenan...

GRANDORADO TN

All eyes are on Grandorado TN, being one of the greatest talents of the G-year of the KWPN. In the KWPN Performance Test the son of Eldorado van de Zeshoek earned 85.5 points and he was already described as a phenomenon. His unlimited scope and power, Grandorado inherited from his sire Eldorado van de Zeshoek, a son of Clinton which jumps at the highest level with Willem Greve. Dam Charmieque also jumped at 1.40m level with Willem Greve, after she scored 83 points in a mare performance test of the KWPN. Grand sire Carolus II jumped at Grand Prix level with both Thomas Voss and Schuyler Riley and has produced many international jumpers. Great-grand sire Baloubet du Rouet is also of top-class level, being a top sire and winner of three World Cup Finals and Olympic gold with Rodrigo Pessoa.

CASALL

Ridden by Rolf-Göran Bengtsson, Casall is one of the absolute top horses on the international jumping circuit. He reached the top 25 at the 2012 London Olympics, the 2013 Europeans in Herring, and the 2014 World Equestrian Games in Caen, Herring saw him win team bronze with the Swedish team and place 4th individually. At Caen he took 4th place again following a more than convincing performance throughout the championship week. Over the past years, he has performed exceptionally consistent, particularly in the Global Champions Tour. Winning 11 legs of the GTC since 2011, he placed 2nd in the 2014 overall standing (level on points with the winner, Scott Brash) and 3rd in 2015. In 2016, at 17, Casall performed convincingly all along the line, placed first in the Valkenswaard, Paris, and Doha legs and won the Global Champions Tour. His son Chesall Zimequest topped the WBFSH jumper ranking in 2016. Various international top level competitions during the past years have seen Casall compete against his own offspring - impressive evidence for his ability to pass on his quality. His highly successful international offspring include Casello under Ludger Beerbaum, Casallo Z under Piergiorgio Bucci (ITA), C.T. under Hugo Simon, Cristallo A LM under Julien Epailard (FRA), Alicante with Jérôme Guery (BEL) and Caracas

Stallion Notes

under Jos Verlooy (BEL), to name just a few. His daughters Vontessa, Akimba, and Cascada I won the Elmshorn elite mare show in 2008, 2011, and 2013, respectively. His son Casaltino became champion stallion of the 2013 Neumünster stallion grading. Moreover, two Casall sons won reserve champion stallion, Catch it in 2009 and Cascadello I, which sold at a record-breaking 600.000 euros, in 2011. So far, 46 sons have been licensed for breeding and he has produced 53 state premium mares.

EMERALD

The success story of Emerald and his rider Harrie Smolders started in 2010, when they became reserve champions at the World Championship for young horses in Zangersheide, Emerald was 6 at the time. This was followed by countless victories at the highest level, with wins in 2013 in the Nations Cup in both Aachen and Gijon, in 2015 they won the Nations Cup in Falsterbo and the World Cup leg in Washington... In the World Cup final in Gothenburg of 2016 they became 2nd, after which they participated in the Olympic Games in Rio and won the Nations Cup in Rotterdam. In 2017 there was a win in the Chantilly GP, and a 2nd place in the Versailles GP, and the following year a win in the Bordeaux GP and a 2nd place in the Cannes GP. After his brilliant career, Emerald retired at the beginning of 2019, to fully focus from then on on breeding. Due to his impressive palmares and qualities as a stallion, and his many successful offspring, Emerald is one of the absolute top favorites among breeders. OFFSPRING: Various Emerald offspring are now successfully performing at the highest level ... his son Igor is certainly one of the most striking talents of the moment. Together with Jos Verlooy he won the Gold medal at the European Championships in Rotterdam with the Belgian team in 2019, as well as individual Bronze, they became 2nd in the Longines World Cup in Toronto, and he was awarded the "Horse

Of The Year" award by Landbouwleven after his phenomenal season. Furthermore we also find Ibbo Van't Keldertje, Imerald Van't Voorhof, I'm Special De Muze, Ilias Van't Vlasmeeer, Jeunesse Van't Paradijs and Kasper Van't Hellehof and Escape Z in the impressive list of offspring.

description, or if he contends that such lot is afflicted with vice as set out in Condition 3 (ii) [a] above then he must notify the Auctioneers within seven days from the last day of the sale at which the Lot was purchased specifying exactly the nature of the complaint that the Purchaser makes in respect of the Lot Purchased. Failure to so notify the Auctioneers shall defeat any right or remedy the purchaser may otherwise have pursuant to these conditions or otherwise. The Auctioneers shall then nominate a Veterinary Surgeon or other expert to investigate the purchasers contention and the decision of such Veterinary Surgeon or expert shall be binding on vendor and purchaser. In the event that a Lot is returnable by reason of the matters arising herein, the Vendor shall pay to the Auctioneers the cost to the Auctioneers and to the Purchaser of returning the Lot and the amount of any payment under this Condition payable to the Purchaser shall be fixed by the Auctioneers whose decision shall be final and binding on all parties.

- (iv) Should any dispute arise between a Vendor and a Purchaser as to any of the matters referred to in the Condition 3 (iii) hereof, it shall be adjudicated upon by the Auctioneer at such time and in such manner as the Auctioneers in their absolute discretion shall think fit and their decision shall be final and binding on all parties. All expenses and charges incurred by such adjudication shall be borne by the party found to be in error. The Auctioneers shall not be liable as a party in any dispute between the Vendor and Purchaser or in any legal action arising thereout.

4. VETERINARY CERTIFICATES AND RE-EXAMINATION:

- (i) A Lot may be offered for sale in the manner following:
[a] **As it stands** – meaning that the Lot is sold at the fall of the hammer without a veterinary certificate or right of re-examination.
[b] **Subject to re-examination** – in which event, the Purchaser shall be entitled to have the Lot examined in accordance with Paragraph 4 (iii) hereof.
[c] **With the benefit of a Veterinary Certificate** – meaning that the Lot shall be sold in accordance with the terms and conditions recited in Paragraphs 4 (ii) and 4 (iii) hereof.
- (ii) Where a Lot is offered for sale with a veterinary certificate it must be a veterinary certificate from a panel of approved veterinary surgeons nominated by the auctioneers. It shall be the Vendors responsibility to ensure that this Certificate is lodged with the Auctioneer not less than one hour before the expected time of sale. The Certificate shall be available for inspection by prospective Purchasers and may subsequently be read out from the Rostrum at the time of sale. In the event that a Certificate has been mislaid or is not available for any other reason at the time of sale, the Auctioneers may in their absolute discretion decide to postpone the sale or not offer the Lot for sale. In any event, the Auctioneers shall not be held liable to any party by reason of the non-production of the Veterinary Certificate.
- (iii) Once a Lot is purchased, the Purchaser must notify the Auctioneers within 30 minutes of purchase if a re-examination is required. In such event, the Auctioneers shall arrange for such re-examination at the expense of the Purchaser and such re-examination will be performed by a member of the panel other than such member who has furnished the original Certificate and the opinion expressed on re-examination shall be final and binding on all parties. If on such re-examination a defect is apparent in the lot and such defect has not been referred to in the original Veterinary Certificate and the member carrying out such examination is of opinion that such defect is of practical significance, then the purchaser may repudiate the said sale. The decision of the member of the panel who has carried out the re-examination as to the significance or otherwise of any defects disclosed on such examination shall be final and binding on Vendor and Purchaser.
- (iv) A Lot remains at the Vendors risk until completion of the re-examination procedure. Once re-examination has been completed and the Lot has passed such re-examination, such lot is then held to the purchasers risk. Following sale of a Lot by auction or privately, it shall remain the Vendors responsibility:
[a] To ascertain if re-examination has been requested and
[b] To present such horse for re-examination.
- (v) Save as herein before provided no Lot shall be returnable.

If the result is positive the animal is returned and the Vendor shall be barred from all future performance sales.

6. PAYMENT:

Payment to Vendors or their authorised Agents, will be made 30 days after the sale in respect of those animals where payment has been received from the Purchaser. In the event of a defaulting purchaser, the Auctioneers shall not be held liable or responsible for any deficiency which may arise on the resale of an uncleared Lot.

The Auctioneers shall use their best endeavours at all times to ensure the completion of a purchase to the mutual benefit of the Vendor and Purchaser. The Auctioneers shall in their absolute discretion decide the terms and conditions under which a Purchaser shall discharge his payment for any Lot purchased. In the event that the Auctioneers are for any reason unable to secure payment from the Purchaser then the Auctioneers shall not be held liable by the Vendor for the purchase money or any part thereof.

In the event that any dispute arises for whatever reason as between the Vendor and the Purchaser, then the Auctioneers, the Vendor and the Purchaser shall be bound by these Conditions of Sale. The Auctioneers shall not be liable to the Purchaser or to the Vendor in any manner whatsoever arising from the sale of any Lot and in the event of any dispute arising in relation to any Lot, the Vendor's remedy shall be against the Purchaser and the Purchaser's remedy shall be against the Vendor. In the event that a dispute arises as between Vendor and Purchaser in respect of any Lot before the Auctioneers have paid over any purchase money, the Auctioneers on being notified of the said complaint and dispute between the parties, shall lodge any purchase money in their possession in an interest bearing Deposit Account until such time as the dispute is resolved as between the Vendor and Purchaser they both acknowledging to the Auctioneers that the matter has been so resolved. It shall be the obligation of the Purchaser to pursue the resolution of the dispute and in default of prosecution of same, the Auctioneer shall, on notice to the Purchaser, be at liberty to pay out to the Vendor any money that was withheld on foot of the Purchaser's complaint, and shall do so unless the Vendor produces evidence to the Auctioneer that legal proceedings have been commenced. In the event that a Vendor or Purchaser initiates legal proceedings, the Auctioneers shall be bound by these Conditions of Sale and by any Order of Court in relation to the matter.
