"The Vendor" shall mean the person, partnership or corporation named in the Entry Form as Owner of the Lot provided that where an owner is not named in the Entry Form or in the case of a partnership the person who enters the Lot for sale shall be deemed to be the Vendor.

"The Purchaser" shall mean the highest bidder to whom the Lot is knocked down subject to the provisions set out herein and shall include a person who is the vendor or member of a per vendor partnership.

"Lot" shall mean and include horses of all descriptions offered for sale by Michael Donohoe & Sons.

"Sales Complex" means any premises being permanent, temporary or otherwise used by the Auctioneers in any Sales.

\*\*\*\*\*

1. Michael Donohoe & Sons, their servants or agents shall not accept any responsibility for injury, loss or damage suffered to persons, animals, goods or property or howsoever arising as a result of any act, omission, default or neglect on their part or on the part of any owners of horses and/or their agents or visitors to the Sales. They further retain the right to prohibit the entry to their Complex of any animal which is suspected to be suffering from a contagious disease.

## **RESERVES, BIDDING AND PRIVATE SALES:**

(i) **A Lot entered in the Catalogue and advertised for sale shall not be sold by the owner before the auction of that Lot. Should they fail to reach their reserve, vendors may negotiate privately, and in the event of a sale it must be transacted through the Auctioneers. Anyone found not adhering to this condition of sale will be barred from all future sales.**

(ii) There may be a reserved price for any Lot and subject to such reserved price, the highest bidder shall be the Purchaser. Should any dispute arise between two or more bidders the Auctioneers shall adjudicate on the dispute and their decision shall be binding on all parties. At their discretion, the Auctioneers may put up the Lot in dispute for Auction and re-sale.

(iii) The Auctioneers reserve the following rights:

[a] To refuse without reason the bidding of any person;

[b] To bid on their own behalf up to the reserve price; and

[c] To withdraw the Lot from sale at any time before it has been knocked down without disclosing the reserved price.

A Vendor shall not bid or allow anyone else to bid on his behalf for any Lot owned by him except in cases where such Lot is being sold on the dissolution of a partnership.

(iv) Any Lot in the Auctioneers Sales Complex for the purposes of sale or otherwise shall be there at the Vendor's risk provided, however, that where such Lot has been sold it shall be at the Purchaser's risk from the fall of the hammer or time of sale if sold privately. In the event that the purchasers exercises the right of re-examination in accordance with Condition Number 4 sub-section (iii) hereunder, the Lot shall remain at the Vendor's risk until such re-examination has been completed. The Auctioneer shall not be liable for loss, damage or injury caused by a Lot or to a Lot while on their Sales Complex whether by disease, accident or otherwise howsoever arising and whether to a person in charge of such a Lot or to any third party. Any Lot purchased shall be removed from the Sales Complex not later than 24 hours after the date of the purchase and at the Purchaser's expense. The Auctioneers shall bear no responsibility for the maintenance, upkeep or well being of any Lot.

(v) If a Lot is purchased and not paid for, the Auctioneers shall be entitled to retain the Lot until payment is received and in respect of the period of such retention, the Auctioneers shall have a lien upon the Lot for all expenses including freight incurred by them or any Agent acting on their behalf in keeping, maintaining, training, treating or otherwise dealing with the Lot during such period of retention and such lien shall not be lost by reason of the fact that the Lot is kept by them or their Agents elsewhere than in their Sales Complex. A Lot shall not be delivered to a Purchaser until the expenses mentioned have been discharged in addition to the purchase price. Should the Purchaser fail to pay for a Lot, the Auctioneers in their absolute discretion may at any time re-sell the Lot by Public Auction or Private Sale and the deficiency (if any) resulting from such re-sale shall immediately be made good by the defaulting purchaser and in default of a payment it shall be recoverable from the Purchaser as liquidated damages. The Auctioneers or the Vendor of a Lot shall be at liberty to pursue all legal remedies available to them against a defaulting Purchaser to recover the purchase price or any deficiency therein arising from the default.

(vi) No undertaking by the Auctioneers, their servants or agents to take charge of a Lot previous to or after a sale or to forward such Lot to a destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of the foregoing Conditions. Any person engaged to bring and take away a Lot shall do so at the cost and risks in all respects of the owners of such Lot.

## **DESCRIPTIONS OF A LOT AND STABLE VICES:**

(i) The Auctioneers shall not be liable or responsible for the accuracy of any information set out in the Catalogue or announced from the Rostrum concerning a Lot listed for sale or for any description, pedigree or warranty expressed or implied on its behalf such information being supplied by the Vendor who alone is responsible for its accuracy. The Vendor shall at all times indemnify the Auctioneers in respect of such information supplied. A Lot listed in the Catalogue is sold with its Engagements, Pregnancy Status and/or Produce Record as listed therein or announced from the Rostrum at the time of sale such information being as presented by the Vendor. The Auctioneers will endeavour to have all Catalogue information correctly stated, but the Vendor is responsible for the correction of any error or omission. It shall be the duty of the Vendor to ensure that the Lot is properly described as set out in the Catalogue. In the event of any dispute as to the description or information of a Lot, the Purchaser's remedy shall be against the Vendor and the Vendor's remedy shall be against the Purchaser and the Auctioneers who act as Agents between Vendor and Purchaser shall not be liable as a party in any action or dispute that might arise between the parties.

(ii) Subject to the right of re-examination in accordance with Condition 4 (iii) hereunder a lot is sold either at the fall of the hammer or where a lot is not sold in the ring at the time of subsequent private agreement. These Conditions of Sale provide the basis for the contract between Vendor and Purchaser. Where veterinary examination is requested and the lot successfully passes such re-examination procedure the sale is concluded at that time subject to the following important conditions.

[a] Any Lot which is a habitual wind-sucker, weaver or box walker or has been unnerved or has been tubed or otherwise operated on for unsoundness in wind or has shown any evidence of sweet itch and is not so described is returnable in accordance with Condition 3 (iii) hereof.

## **HARLEY VDL**

Harley VDL has been highly successful at international level with Jessica Kürten. In the Grand Prix of Sainte Cecile he finished 2nd, then took 3rd in the Grand Prix of Neurenberg. He also won international classes in La Coruña, Aalst and Outdoor Gelderland. In Den Bosch, Harley was victorious in the prestigious VHO Trophy.

Harley's offspring have achieved many successes at the international level.

Descendants such as Charly Chaplin S (Darragh Kenny and Kerry McCahill), Constable II (Laura Kraut), Doloris (Santiago Lambre), Camelot (Kevin Beerse), Davidson (Callan Solem) and Arlando (Roelof Brill) jump at international 1.60m level. In 2018 there was a third place for Davidson in the WEF Challenge Cup in Wellington and this former Dutch champion in the 7-yr-olds also finished fourth in the Grand Prix of Saugerties.

Harley has been awarded 'Preferent' by the KWPN and the NRPS thanks to the outstanding performances of his offspring in the international sport.

## **DIARADO**

Listed among the top 20 of the WBFSH ranking for the first time: Diarado really deserves his place among the world's best jumper sires so early in his breeding career, as his offspring dominate more and more show-jumping events. Above all is Maurice Tebbel's Don Diarado, third in the Mannheim Grand Prix in 2019 and fourth in Brussels/BEL, after having been part of the German bronze medal team at the World Equestrian Games in Tryon/USA in 2018. Ridden by Margie Goldstein-Engle/USA, Dicas won the Grand Prix competitions of Deauville/FRA and Hamburg/GER and

came second in Berlin/GER. Also victorious are Emerette/Michel Robert/FRA, Donatello 141/Ashlee Bond/ISR and Squirt Gun/Andrew Kocher/USA. Diarado, Holstein licensing winner, stallion performance test record winner, German championship bronze medallist (with two marks of 9.0) and successful at 3\* show-jumping competitions, is preparing to follow in the footsteps of his legendary sire Diamant de Semilly, who won team gold at the World Championships in 2002 and team silver at the European Championships in 2003 and has been one of the world's best show jumping stallions for years according to the WBFSH ranking.

## **JE T'AIME FLAMENCO**

One of the most popular stallions standing in the UK, this BWP Ambassador & World Ranked Stallion has excelled throughout his career as an international GP show jumper.

Ridden by Billy Twomey, Je T'aime Flamenco was a regular member of the Irish team throughout his career. They were successful in age classes and together they won seven of the world's major Grand Prix including HOYS, Belfast, Amsterdam, Barcelona and Valencia. Team GB Member, Michael Whitaker said of Je T'aime Flamenco, he is "One of the most exciting stallions to be available in the UK – a major winner of International Grand Prix." Progeny competing at 1.60m level include Fellow Castlefield, Ballypatrick Flamenco, Kimba Flamenco, Kimba Flamenco, WKD Aimez Moi, Roma IV, Rising Sun, etc.

## **CONTHARGOS**

Conthargos offspring are recognised internationally and compete at high level: Conthargos' offspring make the headlines, such as Conchento PS, who was placed,

first with Luciana Diniz/POR and now with Gregory Wathelet/BEL, in the Grand Prix of St. Tropez/FRA, London/GBR, Geneva/SUI, Valence/FRA and Vilamoura/POR, Concona, who was placed sixth in the Grand Prix of Hamburg/GER with Ben Maher/GBR, Easy Girl, who won the Grand Prix of Caledon/CAN with Santiago Lambre/BRA and was placed third in the Grand Prix of Tryon/USA, and Connecticut, who was highly placed in the Grand Prix of Liege/BEL and the 1.55m show jumping competition in Calgary/CAN with Matthew Sampson/GBR. Cosa Nostra/Alberto Michan/ISR took part in the Olympic Games in Tokyo/JPN, after being placed in the Grand Prix of Wellington/USA. Pia Contra/Nicolas Pizarro/MEX won the Grand Prix of Balvanera/MEX. Jadore Moi/Sophie Leube/GER won the eventing CCI04\*-L in Boekelo/NED and took the sixth place in the German Championships in Luhmühlen/GER. Also successful in show jumping: Cocolina/Natalie Dean/USA, Conbelleza/Simon Delestre/FRA, Conthacco/Schuyler Riley/USA, Conblue/Patrick Stühlmeyer/GER, Jolanda/Oliver Lemmer/GER, Coraline/Franz-Josef Dahlmann/GER, Tailormade Chloe Star PS/Karin Martinsen/SWE and Concollon PS/Laura Klaphake/GER.

Conthargos transmits to his offspring his large frame and athletic conformation. His offspring also please with their courage, respect, scope, technique and exceptional rideability.

## **BUTTON SITTE**

Button Sitte competed at the highest level with Richie Moloney. He won and placed in some of the biggest Grand Prix's in USA. He is the son of the prolific stallion Ogano Sitte, a proven producer of many approved sires and 1.60m jumpers. Button Sitte's dam Riviera Sitte jumped 1.50m and comes from the famous jumping family of Aganix Du

Seigneur.

Button Sitte already has up and coming progeny jumping Grand Prix level including Fidelgo Du Houssoit, Giulia Du Houssoit, Greco Sitte, Blits Vd Tojopehoeve Z, Haas De La Noyelle Happy Melody De La Defliere, Noisette Printaniere, etc.

## **AGANIX DU SEIGNEUR**

Under Jos Lansink the stallion was well on his way to progress into an absolute world-class horse when an injury called a premature end to his career in the sport. However, at that moment his first offspring appeared to jump exceptionally well which prompted Studfarm Zangersheide to purchase him. Aganix du Seigneur Z initially started from an underdog position, but after one season he blossomed into being one of the most popular stallions of the yard. The siring qualities of this stallion are beyond imagination. Wherever Aganix du Seigneur Z offspring appear at the start they have an impact. Be it a freejumping competition, a class for young horses or an international event up to the highest level . . . the Aganix du Seigneur Z offspring perform everywhere! The products of this imposing chestnut are in the biggest stables across the world: Attoucha Hero Z with Paris Sellon, Ayade Hero Z with Spencer Smith, Agana van het Gerendal Z with Lillie Keenan.

## **CARRERA VDL**

Carrera is a striking and interestingly bred horse from a combination of two Olympic stallions. Sire, Cardento, won three Silver medals under Peter Eriksson at the Olympics, the World Championship and the European Championship. Grand sire, Baloubet du Rouet, was Olympic Champion with Rodrigo Pessoa; a three-time winner of World Cup Finals; and also claimed the winner's sash in several GP's and World Cup Qualifiers. Carrera's dam is an international 1.45m jumper, and is a half-sister to the famous

international jumper stallion Tinka's Boy, winner of many GP's and World Cup Qualifiers plus the final with Markus Fuchs. Carrera shone under Jur Vrieling with whom he was successful at the highest level. Carrera started 2017 strong with the winning of the Grand Prix Vestfold. Before he won the Grand Prix of Wolden, a 1.50m class in Bonheiden and in Oldenburg. With the Dutch team Carrera won the Nations Cup in Drammen. Other notable placings: 2nd GP Oldenburg, 2nd 1.50m Drachten and Maastricht, 3rd GP Wiener Neustadt and 4th in the GP Maastricht.

## **QUERIDO VG Z**

Querido VG Z is just seven years old, but his first impressive feat has been a fact for two years already. As we know, the then 5-year-old sturdy Dominator Z son has won the World Championship Young Horses in Lanaken under Christian Ahlmann, who also achieved success upon success with sire Dominator Z. The Dominator Z progeny prove to be remarkably competitive and have inherited an awful lot from their sire. Like the typical 'Dominator' jumping style, the powerful canter, but also the agility and fighting spirit! Querido's dam too is made of the right stuff. Before, she had also brought Leandro VG who jumps 1.50m classes with Jeroen De Winter. Now with Dominator Z's packed calendar he will only be available with frozen semen in the next few years, but his son Querido Z is an ideal alternative for breeders who prefer to have their mares inseminated with fresh semen. The first foals by Querido Z demonstrate, just like those by their grandsire Dominator Z, to have enough size, lots of gallop and a good model!

## **HARDROCK Z**

Hardrock Z is a fantastic bred son of Heartbreaker. Ridden by Venezuela's Emanuel Andrade, Hardrock Z participated at the World Equestrian Games in Caen in 2014 and at the Olympic Games in Rio de

Janeiro in 2016. He also participated in the Pan American Games in Toronto in 2015, where he finished 6th individually after taking the lead in the first qualifier. Hardrock jumped successfully in numerous Grand Prix-competitions at top level, such as in Wellington, Tryon, Calgary, Miami, et cetera. In addition, Hardrock Z has fantastic reflexes, an excellent attitude and an outstanding rideability. With his excellent pedigree, performances at the highest level and his appealing, strong conformation, Hardrock Z can be a great asset for breeding. His foals are in demand at European foal auctions, several foals were sold for top prices.

## **NIXON VAN 'T MEULENHOF**

The 10yo stallion Nixon van 't Meulenhof competes at 1.60m level with Jos Verlooy for Belgium. His power, presence, technique and intelligence make him an exciting prospect for the future. The breeding line of Nixon is fantastic both from his sire and dam. Sire: Denzel van 't Meulenhof is a young stallion by Maurius Claudius who in turn has produced several international horses.

Dam: Nixon's dam is Carthina Z (Carthago x Lys de Darmen). She is the dam of the famous stallion Emerald van het Ruytershof (Diamant de Semilly) and Diamanthis van het Ruytershof (Diamant de Semilly).

Nixon van 't Meulenhof already has many horses competing in CSI Young Horse classes.

## **SIEC LIVELLO**

SIEC Livello rose to prominence on the international show jumping circuit in 2009. In that year, he was on the winning Irish team at the Falsterbo Nations Cup, and also won the Grand Prix held at the indoor horse show in Kiel. The greatest achievement during his career was when he finished 4th in the Windsor European show jumping

championships with Irish rider Cameron Hanley. Livello has sired a number of good Irish performers, most notably the 1.60m Nations Cup performer Lapuccino, ridden by Ireland's Michel Duffy and BEC Lorenzo, 1.60m jumper ridden by Catherine Tyree, USA. Another well-known ISH by Livello is the Cian O'Connor/Ennisnag-bred nine-year-old ESI Toulouse, produced to 1.50m level by Cameron Hanley. On the eventing front, Livello sired two CCI3\* horses, Ballintekin Coopers, ridden by Daisy Berkeley and Cooley Tanglewood.

## **EMERALD VAN 'T RUYTershOF**

The success story of Emerald and his rider Harrie Smolders started in 2010, when they became reserve champions at the World Championship for young horses in Zangersheide, Emerald was 6 at the time. This was followed by countless victories at the highest level, with wins in 2013 in the Nations Cup in both Aachen and Gijon, in 2015 they won the Nations Cup in Falsterbo and the World Cup leg in Washington. In the World Cup final in Gothenburg of 2016 they became 2nd, after which they participated in the Olympic Games in Rio and won the Nations Cup in Rotterdam. In 2017 there was a win in the Chantilly GP, and a 2nd place in the Versailles GP, and the following year a win in the Bordeaux GP and a 2nd place in the Cannes GP. After his brilliant career, Emerald retired at the beginning of 2019, to fully focus from then on on breeding. Due to his impressive palmares and qualities as a stallion, and his many successful offspring, Emerald is one of the absolute top favorites among breeders. OFFSPRING: Various Emerald offspring are

now successfully performing at the highest level . . . his son Igor is certainly one of the most striking talents of the moment. Together with Jos Verlooy he won the Gold medal at the European Championships in Rotterdam with the Belgian team in 2019, as well as individual Bronze, they became 2nd in the Longines World Cup in Toronto, and he was awarded the "Horse Of The Year" award by Landbouweven after his phenomenal season. Furthermore we also find Ibbo Van't Keldertje, Imerald Van't Voorhof, I'm Special De Muze, Ilias Van't Vlasmeeer, Jeunesse Van't Paradijs and Kasper Van't Hellehof and Escape Z in the impressive list of offspring.

## **PEGASE VAN'T RUYTershOF**

Pegase van't Ruytershof has been in the eye of many spectators and breeders with his impeccable sporting results as well as his breeding potential. Son of the prolific stallion Comme Il Faut, has caught vast interest due to his scope and sheer presence in the ring, under Jeroen De Winter the up and coming stallion has made his mark from the very beginning. Pegase was crowned champion stallion of the 2018 BWP Stallion licensing as a 3 year old, his first crop of foals were a strong collection, at the BWP Elite Foal Championship the Winner was a descendant of Pegase who took the top spot for both colts and fillies. In 2019 he won the Pavo Stallion Competition in the 4 year old class having jumped clear. He received the BWP Young Stallion Award in 2020 - this special stallion has proved an enormous amount in such a short space of time, no questioning why his popularity is so strong!

# NOTES

description, or if he contends that such lot is afflicted with vice as set out in Condition 3 (ii) [a] above then he must notify the Auctioneers within seven days from the last day of the sale at which the Lot was purchased specifying exactly the nature of the complaint that the Purchaser makes in respect of the Lot Purchased. Failure to so notify the Auctioneers shall defeat any right or remedy the purchaser may otherwise have pursuant to these conditions or otherwise. The Auctioneers shall then nominate a Veterinary Surgeon or other expert to investigate the purchasers contention and the decision of such Veterinary Surgeon or expert shall be binding on vendor and purchaser. In the event that a Lot is returnable by reason of the matters arising herein, the Vendor shall pay to the Auctioneers the cost to the Auctioneers and to the Purchaser of returning the Lot and the amount of any payment under this Condition payable to the Purchaser shall be fixed by the Auctioneers whose decision shall be final and binding on all parties.

- (iv) Should any dispute arise between a Vendor and a Purchaser as to any of the matters referred to in the Condition 3 (iii) hereof, it shall be adjudicated upon by the Auctioneer at such time and in such manner as the Auctioneers in their absolute discretion shall think fit and their decision shall be final and binding on all parties. All expenses and charges incurred by such adjudication shall be borne by the party found to be in error. The Auctioneers shall not be liable as a party in any dispute between the Vendor and Purchaser or in any legal action arising thereout.

#### **4. VETERINARY CERTIFICATES AND RE-EXAMINATION (For this Sale see Page 5):**

- (i) A Lot may be offered for sale in the manner following:  
[a] **As it stands** – meaning that the Lot is sold at the fall of the hammer without a veterinary certificate or right of re-examination.  
[b] **Subject to re-examination** – in which event, the Purchaser shall be entitled to have the Lot examined in accordance with Paragraph 4 (iii) hereof.  
[c] **With the benefit of a Veterinary Certificate** – meaning that the Lot shall be sold in accordance with the terms and conditions recited in Paragraphs 4 (ii) and 4 (iii) hereof.
- (ii) Where a Lot is offered for sale with a veterinary certificate it must be a veterinary certificate from a panel of approved veterinary surgeons nominated by the auctioneers. It shall be the Vendors responsibility to ensure that this Certificate is lodged with the Auctioneer not less than one hour before the expected time of sale. The Certificate shall be available for inspection by prospective Purchasers and may subsequently be read out from the Rostrum at the time of sale. In the event that a Certificate has been mislaid or is not available for any other reason at the time of sale, the Auctioneers may in their absolute discretion decide to postpone the sale or not offer the Lot for sale. In any event, the Auctioneers shall not be held liable to any party by reason of the non-production of the Veterinary Certificate.
- (iii) Once a Lot is purchased, the Purchaser must notify the Auctioneers within 30 minutes of purchase if a re-examination is required. In such event, the Auctioneers shall arrange for such re-examination at the expense of the Purchaser and such re-examination will be performed by a member of the panel other than such member who has furnished the original Certificate and the opinion expressed on re-examination shall be final and binding on all parties. If on such re-examination a defect is apparent in the lot and such defect has not been referred to in the original Veterinary Certificate and the member carrying out such examination is of opinion that such defect is of practical significance, then the purchaser may repudiate the said sale. The decision of the member of the panel who has carried out the re-examination as to the significance or otherwise of any defects disclosed on such examination shall be final and binding on Vendor and Purchaser.
- (iv) A Lot remains at the Vendors risk until completion of the re-examination procedure. Once re-examination has been completed and the Lot has passed such re-examination, such lot is then held to the purchasers risk. Following sale of a Lot by auction or privately, it shall remain the Vendors responsibility:  
[a] To ascertain if re-examination has been requested and  
[b] To present such horse for re-examination.
- (v) Save as herein before provided no Lot shall be returnable.

#### **5. BLOOD TEST**

The purchaser of all Lots will have the right, within 30 minutes of the fall of the hammer, to request a blood analysis, to detect pain killing, anti-inflammatory or performance altering drugs. If the result is positive the animal is returned and the Vendor shall be barred from all future performance sales.

#### **6. PAYMENT:**

Payment to Vendors or their authorised Agents, will be made 30 days after the sale in respect of those animals where payment has been received from the Purchaser. In the event of a defaulting purchaser, the Auctioneers shall not be held liable or responsible for any deficiency which may arise on the resale of an uncleared Lot.

The Auctioneers shall use their best endeavours at all times to ensure the completion of a purchase to the mutual benefit of the Vendor and Purchaser. The Auctioneers shall in their absolute discretion decide the terms and conditions under which a Purchaser shall discharge his payment for any Lot purchased. In the event that the Auctioneers are for any reason unable to secure payment from the Purchaser then the Auctioneers shall not be held liable by the Vendor for the purchase money or any part thereof.

#### **7. DISPUTES:**

Subject to the foregoing Conditions, the Auctioneers act as the Agent of both the Vendor and the Purchaser and to this end, the Auctioneers shall use their best endeavours to act to the mutual benefit of both Vendor and Purchaser. In the event that any dispute arises for whatever reason as between the Vendor and the Purchaser, then the Auctioneers, the Vendor and the Purchaser shall be bound by these Conditions of Sale. The Auctioneers shall not be liable to the Purchaser or to the Vendor in any manner whatsoever arising from the sale of any Lot and in the event of any dispute arising in relation to any Lot, the Vendor's remedy shall be against the Purchaser and the Purchaser's remedy shall be against the Vendor. In the event that a dispute arises as between Vendor and Purchaser in respect of any Lot before the Auctioneers have paid over any purchase money, the Auctioneers on being notified of the said complaint and dispute between the parties, shall lodge any purchase money in their possession in a Deposit Account until such time as the dispute is resolved as between the Vendor and Purchaser they both acknowledging to the Auctioneers that the matter has been so resolved. It shall be the obligation of the Purchaser to pursue the resolution of the dispute and in default of prosecution of same, the Auctioneer shall, on notice to the Purchaser, be at liberty to pay out to the Vendor any money that was withheld on foot of the Purchaser's complaint, and shall do so unless the Purchaser produces evidence to the Auctioneer that legal proceedings have been commenced. In the event that a Vendor or Purchaser initiates legal proceedings, the Auctioneers shall be bound by these Conditions of Sale and by any Order of Court in relation to the matter.

#### **8. COMMISSION AND AUCTION FEE:**
